QUOTES

*“We believe that effective communication skills and knowledge of the issues impacting millions of people around the world are essential for empowering young people to become engaged citizens, skilled professionals, and honorable leaders,” said **J. Scott Wunn, Executive Director of the National Speech & Debate Association**. “Experience the power of students using their words for change this June.”*

*“We are creating a region where civil discourse and powerful voices are cultivated and nurtured. Speech and debate programs give students critical thinking skills and wisdom that come from viewing issues from different sides; and the confidence and communication skills to be effective. Both are critically needed in our culture today.” – **Heather Mullins Crislip, Executive Director, The Richmond Forum***

*“[Speech and debate] was an experience that I can say without hesitation was the one activity that best prepared me for future success in law and in life,” said **Ketanji Brown Jackson, Justice, U.S. Supreme Court**.*

ABOUT THE RICHMOND FORUM

For 38 seasons, The Richmond Forum has presented powerful voices—belonging to some of the most influential leaders and prominent figures in the world—so Richmond can learn, while empowering local voices so Richmond can lead. In 2018—recognizing the absence of speech and debate programs in most of the region’s public schools—The Forum launched an initiative to implement, grow, and support these essential programs. The goal of the Richmond Forum Speech & Debate Initiative is for every public middle and high school to have competitive speech and debate programs by 2025—setting the region up for success leading into the 2026 National Tournament.

WHAT THEY DO

- ▶ Cover tournament entry fees, travel expenses, and meals, which allows all students and teams equitable access to participate in competitive speech and debate programs.
- ▶ Train coaches and judges to facilitate successful, robust speech and debate programs and competitions.
- ▶ Build a level playing field for all students by providing professional clothing, inclusion advocacy, and other resources.
- ▶ Foster a spirit for competition and ample opportunities to practice speech and debate skills by organizing local invitational tournaments.
- ▶ Provide access to National Speech & Debate association membership benefits and sponsoring participation in its honor society.
- ▶ Awarding grants for students to attend speech & debate camps and workshops, so they can further develop critical skills.
